HI, I'M RAHUL

Ten years a camera geek, four years doing this properly. I've run content for a university, a hotel school, a tax firm and a startup — and I still make cooking videos at 1am because I like it.

LET'S MAKE ONE

YOUR FIRST VIDEO IS ON ME

I film it, I edit it, I hand it over. Like it? Let's keep going.
Don't? Keep it anyway — you owe me nothing.

THREE STEPS. NO CONTRACT. NO CATCH.

1

SAY HI

Scan the code on the front, send me one line about what you sell. Twenty seconds. I'll reply the same day.

2

I MAKE THE VIDEO

My camera, my edit, my weekend. Shot at your place in about an hour, or built from footage you already have on your phone.

3

YOU DECIDE

Love it, post it, and we make more. Don't love it? Keep the video anyway. No invoice, no chasing, no awkward follow-ups.

**NOBODY BELIEVES A BROCHURE. EVERYBODY
BELIEVES A VIDEO OF THEIR OWN SHOP.**

SO I'LL JUST MAKE YOU ONE FIRST

I'VE DONE THIS A FEW TIMES.

Four years, a lot of weekends, and a camera I've dropped twice.
